Class Enrolment

Students who enrolled on line for term 1 should continue to enrol on line for future terms, please do not send in a paper application as we are unable to process this for you.

Students who applied by paper application before the website was up and running for term 1 (who already have email addresses) will be contacted with information to enable them to book online for term 2.

Students who do not use email can still send in forms to enrol.

Students are sent an email confirmation automatically when a class is booked, we urge you to look in your spam folder for this confirmation. It is vital that you keep us informed of any change of email addresses and to check your emails on a regular basis as this is our sole way of communicating with you should we need to cancel a class urgently.

PACC Open Window Initiative 2016

The Poldrate Arts and Crafts Centre Committee would like to thank the Haddington businesses that took part in the first PACC Open window initiative this year. Tutors and students exhibited pieces of work in a variety of business premises in the town to highlight some of the activities that take part in the Poldrate Arts and Crafts Centre.

This has enabled the PACC to gain a wider audience for their classes in art and craft.

We hope members of the public enjoyed seeing their work.
